Transfers

Get connected to the world. Get connected through a host of facilities. All via one place: the Hyderabad International Airport. Offering you the best of connectivity, comfort and convenience.

Through baggage facility

Enjoy the through baggage check-in facility at the Hyderabad International Airport. What's more, boarding passes are issued for your entire trip.

Recheck-in facility

After completing the immigration and customs formalities, you can recheck-in your baggage and collect your boarding passes at the terminal, and later report to the Security Hold area 45 minutes prior to the scheduled time of departure of the domestic flight.

A quick glance at what's on offer:

- Totally integrated airport: Both domestic and international terminals under one roof
- 136 check-in counters
- 46 immigration counters
- Inline Baggage Screening System
- Transfer Desk within the terminal
- 12 airbridges
- 30 remote stands
- Seamless transfer from domestic to international terminal, and vice versa

Extensive Connectivity

Hyderabad International Airport offers connectivity to 25 domestic and 16 international destinations.

Nap and shower.

Catch up with some sleep at the Plaza Premium 'Nap & Shower' located in the Domestic Departures. Or stroll over to the Plaza Premium Lounge in the International Departures. The airport is equipped with facilities like business centre and internet for professionals on the move; while our massage centre helps you rejuvenate.

Tariff: K1500 for a 4-hour stay
