

## State-wise Quarantine Guidelines

# Delhi

### Domestic

#### Health Screening

- In view of the surge in number of COVID-19 cases, random sample collection will be done for passengers arriving from states where there has been a spurt in number for COVID-19 cases
- Passengers will be allowed to exit after sample collection
- Thermal screening will be done for all passengers upon arrival
- Passengers originating their journey from any city/airport in Maharashtra to travel to Delhi will require RT-PCR negative report from ICMR-accredited labs done within the last 72hrs. RT-PCR timeline starts from the swab collection time. Failure to be in possession of RT-PCR-Negative report shall lead to denied boarding at origin station
- Passengers connecting/transiting through any city/airport in Maharashtra are advised to be in possession of an RT-PCR negative report from ICMR-accredited labs done within the last 72hrs. RT-PCR timeline starts from the swab collection time. If not in possession of such passengers shall be required to undergo mandatory RT-PCR test upon arrival into Delhi at no cost followed by mandatory 14 days of home quarantine
- Passengers with onward connecting flights from Delhi are exempted from the above mentioned requirements
- All Constitutional and Government Functionaries and their staff members accompanying them who are travelling to NCT of Delhi from the state of Andhra Pradesh and Telangana on official work are exempted from the aforesaid instructions, if they are asymptomatic. However, they are advised to self-monitor their health for next 14 days and shall strictly follow the COVID-19 related guidelines/instructions/SOPs issued by Government of India as well as Government on NCT of Delhi from time to time and perform minimum necessary travel as would be required to perform the work for which he-she has arrived in Delhi. In case they are symptomatic, the mentioned below instructions shall be applicable to them.

(Shall have to undergo mandatory Government institutional quarantine/ paid quarantine for 14 days at facilities established/ identified by the concerned District Magistrate)

#### Quarantine

- Passengers who are found positive will be quarantined at home or CCC/CHC/Hospital for 14 days
- Mandatory 14 days home quarantine for passengers connecting/transiting through any city/airport in Maharashtra and not being in possession RT-PCR negative report upon arrival into Delhi
- All constitutional and government functionaries and their staff members are exempted if they are asymptomatic

#### Passenger obligation

##### Domestic Passengers

- All passengers must download Aarogya Setu App
- Carry RT-PCR negative report as mentioned in the health screening if originating/connecting/transiting through any airport/city in Maharashtra

#### Airlines obligation

- Ensure passengers originating from any airport/city in Maharashtra are not boarded if not in possession of RT-PCR negative report

#### Airport/State obligation

- Thermal screening will be done for all passengers upon arrival
- Carry out tests on arrival for passengers connecting/transiting through any city/airport in Maharashtra if not in possession of RT-PCR negative report upon arrival into Delhi

## State-wise Quarantine Guidelines

# Delhi

### International
