State-wise Quarantine Guidelines

Karnataka

International

Institutional quarantine: None

Home quarantine: All passengers are required to submit online declaration with respect to authenticity of the report and to abide by the decision of the government authority to undergo home quarantine or self-health monitoring for 14 days or as warranted.

Health screening

- All passengers originating or transiting through the United Kingdom, Europe or Middle East shall undergo molecular test upon arrival at their own cost and proceed towards home quarantine or self-health monitoring or take onward connecting flights to the final destination within India.
- All passengers originating from United Kingdom, South Africa or Brazil shall adhere to below guidelines
- In case the journey ends at the first port of entry into India, they need to undergo RT-PCR test. Passengers shall be permitted to exit the airport only if the test result is negative.
- In case of onward connection, passengers shall have to wait for the RT-PCR test results. Onward journey shall be permitted only if the test result is negative.

Covid test

- For all symptomatic passengers as advised by health authorities.
- All international travelers coming/transiting from flights originating from the United Kingdom, Brazil, South Africa will give their sample in the designated area and exit the airport only after confirmation of a negative test report.
- All International travelers from the Middle East who have to exit the destination airport or take connecting flights to their final domestic destination shall give samples at the designated area and exit the airport.

Passenger obligation

- All International travelers should submit Self-Declaration form on the online Air Suvidha portal (www.newdelhiairport.in).
- All passengers should upload a negative COVID-19 RT-PCR report. This test should have been conducted within 72 hours prior to undertaking the journey.
- All International travelers coming/transiting from flights originating from United Kingdom, Brazil, South Africa and Middle East should submit Self-Declaration Form (SDF) on the online Air Suvidha portal (www.newdelhiairport.in) before the scheduled travel and to declare their travel history (of past 14 days).

Airline obligation: Ensuring passengers are complying with the state guidelines including RT-PCR test reports prior boarding.

Airport or state obligation: Implementation of travel guidelines issued by state authorities. Test facility at Airport.

Disclaimer

It is the sole responsibility of the passenger to ensure his or her eligibility to comply with the entry regulations of the respective State Government. Airports Authority of India will accept no liability whatsoever in this regard.
